

Equality Objectives 2021 -24

East SILC Equality Objectives

Our equality objectives are:

- To foster good relations between different groups through the use of assemblies, Religious Studies, Citizenship and the PHSE programme, including celebration days.
- To challenge stereotypes that can deny opportunities to students through careers guidance.
- To promote cultural development and understanding through a rich range of experience, both in and beyond the school.
- To improve communication for parents/carers whom English is an additional language.

Equality Objectives 2024-2027

East SILC Equality Objectives

Our equality objectives are:

- To promote equality, diversity and inclusion amongst school stakeholders in order to raise awareness and encourage understanding and contributions from all community members.
- To further challenge stereotypes to increase pupil access to opportunities and ensure resources and teaching strategies reflect and value the diversity of pupils' experiences.
- To celebrate the diversity of our school community and ensure all students feel represented and proud of who they are.
- To embed the importance of good attendance within the culture of the whole school community to secure equality of opportunity for pupil engagement, achievement and progress.
